

KINZA ALI

(Mern Stack & Mobile App Developer)

+92 347 0319 306 kinzaymalikk.7867@gmail.com Street 4, Al-Huda Park Road, Islamabad

PROFILE

Creative and motivated Mobile App Developer with a strong foundation in the MERN stack and a passion for building high-quality, user-friendly applications. Skilled in front-end and back-end development through academic projects and personal practice. Eager to contribute to innovative tech teams by transforming ideas into responsive, intuitive, and scalable digital solutions. Committed to continuous learning, writing clean code, and creating seamless user experiences from the ground up. Ready to launch a professional career and grow in a dynamic development environment.
